An enchanted moment, and it sees me through.
There's a rhyme and reason to the wild outdoors.

It's enough for this restless warrior just to be with you.
When the heart of this star-crossed voyager beats in time with yours.

Can you feel the love tonight?
It is where we are.

Unis.
It's enough for this
It is where we are.

Wide-eyed wanderer
That we got this far.

And can you feel the love...
